## Feedback from parents evening

Thank you to all who fed back at parents evening. We had some lovely comments and it was nice to read how happy children are at Barby.

## Improvements that were suggested by parents

We had 2 developmental comments.

- Having more opportunities for forest school and being outdoors.
- Having more vegetarian meals available

## What will we do about this?

To address this we will have a forest school club running at a lunchtime and after school after Christmas and we will also encourage more forest school time in the curriculum.

We have already spoken to the catering company who provide the menu and meals and they have included a vegetarian option everyday.

## Parental Workshops

Recently we hosted a range of parental workshops which included a SATs and residential meeting, a multiplication meeting and a phonics meeting. Unfortunately we didn't have a lot of uptake for these events. This is not a criticism, we would just like to know what we could do to make this more accessible and have more attendance.

Could we:

- Start the workshop at 2:30pm
- Start the workshop at 9am
- Start the workshop at 7pm
- Have the workshop via Zoom

If you have any ideas or suggestions, please could you let the office or Mrs Bedi know. This will be greatly appreciated.

## Anti Bullying Week

We all joined hands together to show that we stand against bullying and we are all one family. G Force came into school to do some anti bullying workshops with the children.

## Christmas Fayre

We are hosting an exciting Christmas fayre on **Monday 18th December from 3:15 until 5:30pm**. There will be lots of fantastic events to make it a wonderful experience for the children. Please spread the word and bring a friend. If you can help at this event then please let Mrs Armstrong or school know.

## Barby Woodland Trust

We are very excited to be supporting the Woodland trust to plant trees in the village. Every child will plant their own tree and this will be named so they will know which one belongs to them. What a lovely concept to be able to watch their tree grow over time.

## Movie Night

FOB's will be hosting a movie night on **Wednesday 6th December**. There will be a choice of 2 movies. Please look out for further communication regarding purchasing tickets. If you can help out at this event then please let Ms Iveson know.

## Rotary Santa

We are taking part in the Santa run on **Tuesday 12th December** in Barby Village. If you would like to come on this festive walk with us to help raise money for the school then please let school or Ms Iveson know. It starts at **6pm** from the school.

## Townlands Trust

Thank you so much to the Townlands trust for supporting school. The Townlands have supported each class financially to significantly reduce the cost of trips for parents.

We are currently in discussion of how we can further support the school and reduce the cost of residential and trips.

The Trust are also supporting us with enabling a member of staff to be forest school trained!

Thank you so much!
