Dear Parents/ Carers,

### Welcome from the Head

I just wanted to say a huge thank you for my lovely warm welcome to your wonderful school. It has been a great start to the year and definitely something that feels a little more normal.

As you all know, my name is Mrs Suman Bedi and I have been in education for almost 15 years now and absolutely love it. I worked in my first educational setting for 8 years and then in my second educational setting for 6 years.

I am originally from 'Up North' and was born and raised in Middlesbrough which is where my first position was. I then moved to Northampton in 2015 where my husband is based and worked at a local village primary school.

From the pictures, you can see I have a little boy called Rishi who was born with a cleft lip and palate and had to have 2 major surgeries to repair this all before he was 9 months old! He is now 18 months! The main member of the family is of course Bubbles – the family cat!

I am really writing to you to introduce myself and to reassure you that the team at Barby have the best interests of the children at heart and are here to make a difference, to make things consistent and to take Barby forward in the right direction. I am sure that I will have your continued support moving the school forward.

Kind regards,

Suman Bedi  
Headteacher
