Happy New Year!

Dear Parents/carers,

We look forward to welcoming all our families back to school tomorrow and we are excited to see you all. Unfortunately, I need to inform you that we do have a positive case amongst the staff who will continue to isolate and follow guidance.

As per the guidance, if your child is showing symptoms, we will ask you to collect your child and take them for a PCR. If your child has been identified as a close contact and they are not showing symptoms, they no longer need to isolate but need to take a lateral flow test daily for 7 days. They only need to isolate and go for a PCR if the LFD test is positive.

If your child has a positive PCR, they need to isolate for 10 days. However, on day 6 and day 7, they can take a lateral flow test and if both tests come back negative then they can return on day 7.

If children are off for Covid reasons then they can access remote learning on the DOJO platform if they are well enough. We will communicate with you to let you know when live lessons will happen.

As per academy guidance, we ask that children and families coming onto the school site take a LFD test before returning to school tomorrow.

Any child who is showing symptoms must stay home.

Thank you for your continued support and patience at this difficult time. We are doing everything we can to keep our whole school community safe.

Kind regards,

Suman Bedi  
Headteacher

Cara Bolton  
Deputy Headteacher
